

Homeopathic Consultation

I, _____, residing at

Have chosen to consult with Claudia Hinz in regards to a homeopathic consultation.

I realize that Claudia Hinz is a graduate of the British Institute of Homeopathy and is not a medical doctor, and that she does not diagnose, prescribe or treat illnesses or diseases.

My consultation with her is for informational purposes only. Homeopathic consults and remedies DO NOT DIAGNOSE OR TREAT NAMED DISEASES.

I certify that I see or am under the care of a medical doctor for any illness or condition.

Remedy selection is based on a totality of symptoms. I realize that taking a remedy is totally my own decision and that it may or may not help my current condition. I realize there are no guarantees of a cure and no guarantee that my symptoms will lessen or improve. I will not hold Claudia Hinz responsible for a worsening of my current symptoms or any new ones that may arise. I realize that I am under no obligation to use any homeopathic remedies.

I am not expected to, nor will it be demanded, suggested or asked of me to discontinue or stop taking any prescription medicines. Claudia Hinz strongly encourages that I contact my medical doctor for proper monitoring.

I certify that I have read the attached pages about homeopathy. I have taken a copy of it with me for future reference.
